Besides a fully equipped kitchen there is also a lakeside gazebo "THE YURT" which has a dual burner cooker, BBQ (all propane) and fire pit with benches and picnic tables. Perfect for those who love to cook outdoors! The lodge is open 24 hours a day. It has games, a television with satellite dish, WIFI, krokinole board and a "just the basics" souvenir and tackle store. We also sell minnows, leeches, worms, regular and mixed gas. All deposits are transferable to another date in the same year but not refundable and only with 21 days notice. Deposits can be made by cheque, money order, visa or Mastercard. There are minimum requirements for some of our cabins. We will make every effort to place you in the cabin of your choice but we reserve the right to make changes based on the number of persons and beds available.

"NO SHOWS" forfeit their deposit with the balance being charged to your group. Early checkout will be charged for full time reserved. Prices are subject to change without notice. To preserve the quality of fishing on Canyon Lake our policy at North Country Lodge is such that any walleye over 18" can only be taken as a trophy to be mounted, not for consumption. We do encourage replica mounts.
